CIRCULAR

We are pleased to inform you that the B.Tech. students of IIT Manipur will now have the opportunity to study abroad or in other Institutions/Universities in India approved by UGC/AICTE/MoE and other institutions of national importance during their 3rd year or 4th year of the B.Tech. program. IIT Manipur has also signed MoUs with premier institutes of the country such as **National Forensic Sciences University (NFSU)** and **IIT Bombay** for the exchange of students.

The eligibility criteria are as follows:

1. The curriculum of the host institute should match at least 50% of the existing syllabi of IIT Manipur pertaining to that Semester(s) and the remaining 30% curriculum should be related to the programs.
2. Duration of study abroad or in other Institutions\Universities is one semester or maximum two semesters.
3. Those students who have successfully completed all the credits without any backlog in the preceding semesters of their studies with a CPI of 7.00 or more are only eligible.
4. The learning agreement and the proposed institute for the study should be recommended based on the courses offered in the host institute and regulation of the Institutions/Universities by the Department consists of HoD and Three faculty members from the same department nominated by the Director and the Academic Section will put-up the same to the Director for approval to pursue the semester abroad/away.
5. In case of specified courses like Cyber security/ Cybercrime/ Cyber forensic or other multidisciplinary courses leading to specialised degree, then the criteria number 1 is exempted.

The students who are eligible and interested in the semester exchange program should get in touch with the point of contact given below.

Point of Contact: Dr. Moirangthem Dennis Singh
